

CALL FOR APPLICATION

The Media High Council (MHC) is a statutory institution established by the law N° 03/2013 of 08/02/2013 determining its mission, organization and functioning. It's mandated with the cardinal responsibility of building the capacity of the Media sector in Rwanda. In the process of implementing its mandate, MHC in partnership with UNDP has organized a 5 day training of journalists on Climate Change, disaster management and environmental protection reporting. The training is planned to be conducted in August 2020.

It is in this regards that media practitioners who fulfill the criteria of selection are required to submit their applications.

Eligibility criteria:

1. Journalists who produce stories or talk shows on climate change, disaster management and environment protection
2. The motivation words explaining why you need to attend the training (describing what motivates you to apply for the selected training, expectations, what will be the added value to your personal performance and to your media outlet in general);
3. Having a valid press card from RMC;
4. Recommendation letter from his/her active media house registered at RMC
5. Enclose a link of story done on climate change and disaster management or environmental protection.

NOTICE

The priority will be given to:

- **Journalists who have not attended MHC training in the last 4 months;**
- **Journalists who had attended the training on climate change and disaster management and on environment protection reporting organized by MHC in the past. These 2 criteria aim at promoting specialized reporting.**

Applications must be submitted not later than **Tuesday, 18th August 2020 at 5 PM prompt** and **must be made electronically on only one selected training** via a complete online application form <https://cutt.ly/CdMEaiy> available on the MHC website: www.mhc.gov.rw.
